

Instructions – Board Game “South Africa”

Do you like to play games? Who doesn't? Play the board game and learn more about South Africa.

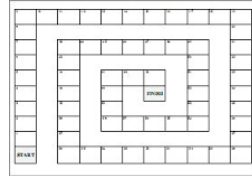

You Need

A coin

One game piece for each player

The board game (with Start, Finish and challenges on each square) - print

Fact cards (the numbers correspond to the challenges in the board game) – print and cut out

How to Play

1. Place your game piece on **Start**.
2. Flip the coin and make two steps for **Tails**, and two steps for **Heads**. Answer the question on the space where you land. To move on the game board follow the numbers on the game board.
3. If got stuck with the answers, consult the Fact Card for the question (find the card with the same number).
4. If you land on a space that has been answered, add something new to the topic.
5. You finish the game when you land on **Finish**. Until then keep playing the game.
